GARDEN OPEN DAY

Thank you to all the families who attended the official opening of the school garden at the weekend. We were delighted with the turnout and felt the day was a real success. Thank you for all those parents/carers and friends who donated home-baking and raffle prizes. We raised around £750 and this money will go towards supporting end of term school trips and the P7 leaver's party.

Thank you to all those who were involved in organ-

ising the event. We are very proud of our garden and playground and look forward to developing the space even more.

A few bags still available at £5 .

Please come to the office or e-mail

QUESTIONNAIRE

Thank you to the parents and carers who completed the most recent Parental Questionnaire. I am delighted with the responses and appreciate the positivity within the returns. Actions arising from this include:

- We will invite parents into school more so that we can share the learning.
- We will continue to use questionnaires and consultations to ensure your voice is heard and your ideas help shape our improvements.

- We will ask the Parent Council to share the work they do and continue to ensure you are all invited to join this forum.
- We will refresh our Relationships Policy and share with you so that you are aware of how we manage behaviour and any instances of bullying.
